

ReaX PLUS ZINC

ReaX PLUS SELECT

ReaX PLUS MANGANESE

ReaX Plus is a new liquid micronutrient brand designed for soil applications with foliar flexibility and features two unique methods of leonardite extraction. ReaX Plus products are designed to maximize nutrient efficiency and improve crop tolerance to abiotic stress, leading to healthy crop growth even in sub-optimal conditions.

PRODUCT FEATURES

- Maximize nutrient availability and uptake
- Improve nutrient chelation, uptake and crop tolerance to abiotic stress
- Formulated to promote healthy growth through optimal nutrition and increased crop vigor

GROWER BENEFITS

- Provides nutrients to maintain healthy levels or resolve deficiencies
- Feeds and supports soil microbiota for healthier, more biologically active soil
- Stabilizes nutrients prone to tie-up in the soil for reliable, available nutrition
- Improved crop tolerance to abiotic stress
